Accelerate Your Career at Sy Syms

Applicants to the online Master of Science in Accounting program at the Sy Syms School of Business must possess a bachelor’s degree in accounting or another business discipline from an accredited college or university* and are required to submit the following materials before the designated application deadline:

- Applicants with an undergraduate degree from Yeshiva University with a cumulative GPA of 3.0 or higher are automatically admitted
- Completed online application
- $50 application fee (waivable by the university; connect with an Admissions Advisor for more information)
- Unofficial transcripts from academic institutions where nine or more credits were earned can be submitted via the online application to start the review process. If admitted, official transcripts provided directly from academic institutions where nine or more credits were earned must be submitted no less than one month prior to the first day of class via email to gradschool@yu.edu. We recommend this option as it is the quickest and easiest way. If your academic institutions can only submit the transcript via mail, please have the sealed copies of official transcripts sent to:
  
  Yeshiva University - Graduate Enrollment Management Office
  Attn: Martha DeCaille
  500 West 185th Street
  New York, NY 10033

- Minimum 3.0 cumulative GPA and a 500 on the GRE/GMAT** (GRE/GMAT temporarily waived for Fall 2021 applicants due to COVID-19)
  **This requirement is typically waived for a cumulative GPA of 3.2 or higher OR 3 years work experience
- Current resume or CV
- Two professional or academic recommendations
- Personal Statement
- Students who completed their undergraduate studies at an international institution may be required to submit English language proficiency scores (TOEFL or IELTS); these scores should be from within the last 2 years
- Applicants who have been awarded a bachelor’s and/or graduate degree from an international higher education institution outside of the United States or a non-English speaking Canadian institution will need to submit a course-by-course NACES transcript evaluation including all official transcripts confirming the degree is equivalent to U.S. standards. An applicant’s international credentials will not be reviewed for admission consideration until a transcript evaluation is completed. All transcripts will need to be submitted from each institution where nine or more credits were earned. If admitted, all official course-by-course transcript evaluations and unofficial transcripts are due before the first day of class

*Open to accounting and non-accounting business majors, our program requires only one accounting prerequisite—Introduction to Management Accounting or its equivalent—as required by the New York State Education Department.
