The Sy Syms School of Business at Yeshiva University presents an online MBA program shaped by collaboration and collegiality and focused squarely on innovation. This program is your opportunity to accelerate your current career path, prepare to pivot to your next professional challenge, or sharpen your skills and improve your mindset to oversee your own growing business venture.

At Syms, we strive to propel you to the leading edge of your field with a curriculum that places equal emphasis on entrepreneurial leadership, data analysis as well as the application of the most up-to-the-minute quantitative tools, and a solid ethical foundation. All of this is energized by our ties to a truly global business community, which is your gateway to success no matter where your career goals may lead you.

Innovate. Inspire. Launch into leadership.

The Online MBA From Syms

Program Benefits

- Join a tight-knit cohort of classmates and build lifelong personal ties and transformative professional relationships
- Benefit from an MBA education crafted in New York City, the beating heart of business, finance and innovation
- Study with Syms’s faculty of successful business leaders and well-published academics
- Enjoy access to the YU Innovation Lab, a unique opportunity to experience startup culture firsthand
- Grow your professional network through an optional residency experience
- Customize your studies with elective course offerings in some of the most in-demand skills and knowledge areas in the business world today
- Track your grades, complete assignments, and communicate with classmates and faculty through our intuitive online learning management system

Admissions Requirements

- Bachelor’s degree from an accredited college or university
- Completed online application
- $50 application fee (waivable by the university; connect with an Admissions Advisor for more information)
- Unofficial transcripts from academic institutions where nine or more credits were earned can be submitted via the online application to start the review process. If admitted, official transcripts provided directly from academic institutions where nine or more credits were earned must be submitted no later than one month prior to the first day of class
- Current resume or CV demonstrating a minimum of three years professional experience
- Two professional or academic recommendations
- Students who completed their undergraduate studies at an international institution may be required to submit English language proficiency scores (TOEFL or IELTS); these scores should be from within the last two years
- Applicants who have been awarded a bachelor’s and/or graduate degree from an international higher education institution outside of the United States or a non-English speaking Canadian institution will need to submit a course-by-course NACES transcript evaluation (see admissions requirements for more details)

Experience the YU Innovation Lab

At the Sy Syms School of Business, innovation is at your fingertips.

The YU Innovation Lab is a unique student-driven international business accelerator housed within Yeshiva University that brings together startup companies from the United States, Israel, Canada and Argentina. It offers an unmatched opportunity for MBA students to experience and overcome the day-to-day challenges that all startup organizations face and build crucial experience with the reality of operating an innovative business venture.

**Choose an online MBA program that wants to put you on the frontlines of the global business community.**

Join a True Community

Community is at the heart of everything we do at Syms.

The emphasis on collaboration in our online courses is not simply intended to teach you to be a team player; it fosters a deeper understanding among your diverse group of classmates. And our faculty take this mission to heart as well, ensuring their availability to students both during scheduled office hours and beyond to enable our cohort of working professionals to have every opportunity to benefit from their expertise.

Businesses are collective enterprises and pillars of their community. Join a business school that shares these values.

Your next step starts at Syms.
