Develop Your Real Estate Career at Syms

To apply to the Online MS in Real Estate program at the Sy Syms School of Business, you must possess a bachelor's degree from an accredited college or university. Additionally, you are required to submit the following materials before the designated application deadline:

- Completed online application
- $50 application fee (waivable by the university; connect with an Admissions Advisor for more information)
- Unofficial transcripts from academic institutions where nine or more credits were earned can be submitted via the online application to start the review process. If admitted, official transcripts provided directly from academic institutions where nine or more credits were earned must be submitted no later than one month prior to the first day of class via email to gradschool@yu.edu. We recommend this option as it is the quickest and easiest way. If your academic institutions can only submit the transcript via mail, please have the sealed copies of official transcripts sent to:
  
  Yeshiva University - Graduate Enrollment Management Office  
  Attn: Martha DeCaille  
  500 West 185th Street  
  New York, NY 10033

- Current resume or CV
- Demonstration of a strong quantitative background through academic achievement in quantitatively oriented courses, professional accomplishments or GRE/GMAT scores
- GRE/GMAT scores (this requirement is waived through the fall 2021 term)
- Two professional or academic recommendations
- Students who completed their undergraduate studies at an international institution may be required to submit English language proficiency scores (TOEFL or IELTS); these scores should be from within the last two years
- Applicants who have been awarded a bachelor's and/or graduate degree from an international higher education institution outside of the United States or a non-English speaking Canadian institution will need to submit a course-by-course NACES transcript evaluation including all official transcripts confirming the degree is equivalent to U.S. standards. An applicant’s international credentials will not be reviewed for admission consideration until a transcript evaluation is completed. All transcripts will need to be submitted from each institution where nine or more credits were earned. If admitted, all official course-by-course transcripts and official transcript evaluations and unofficial transcripts are due before the first day of class.
