FINISH STRONG, PAYS OFF

The Wurzweiler School of Social Work integrates experiential learning into nearly every facet of the curriculum. We value hands-on learning that allows you to gain real-world knowledge and skills. This immersive approach inspires students to think critically and develop solutions to complex social issues.

We're here for you whether you're interested in a career in social work or just want to learn more about the field. Contact us today to find out how we can help you get where you want to go.
Social work is a field offering diverse and expansive career paths. Students receiving the scholarship must maintain satisfactory academic progress at all times for scholarship to remain in effect. This scholarship offer may be revised, rescinded or terminated at any time, such that the total financial assistance received does not exceed the cost of attendance, as defined and determined by the Office of Financial Aid of Yeshiva University. Students enrolled in advanced standing will receive full amount of funds toward tuition in the student's first academic term of the program. Students also get the chance to network with a tight-knit cohort of peers that are passionate about social work.

Achieving your goals may not be easy, but it shouldn't be impossible. Yeshiva University aims to provide an innovative learning environment that fosters collaboration and integrates real-time case knowledge into the classroom experience.

Yeshiva University offers the Online Master of Social Work program that is designed to give working professionals the flexibility they need to complete a degree and set themselves up for future success. This degree can be completed online in as little as 3 years, allowing you to get your MSW degree while finishing up your current career.

The Yeshiva online program gives you the flexibility of studying when and where you need to go. This helps me better guide them and empathetic counselors leave our classrooms prepared to tackle new environments that are often difficult to navigate. Understanding the various stages of development allows me to still be a wife, mother, and to be in school from home! Being near my home makes it easier for me to be in school and that I can stay connected to my clients during the day.
