

Put Your Passion Into Practice

Once you begin your journey with [Yeshiva University](#), your passion for service can truly begin to take shape. Working through the online [Master of Social Work \(MSW\)](#) program, you will have the opportunity to start developing your professional identity while gaining an informed and well-rounded theoretical understanding of social work and its application as a practice.

Program Benefits

- Study online—anytime, anywhere—with the flexibility working professionals need
- Choose either a [full- or part-time course load](#) to best fit your schedule
- Enroll in specialized courses that are developed and taught by experts in their respective fields
- Receive training in advanced clinical practice with individuals and families, group work and community practice
- Engage with interactive casework simulations in our dynamic virtual environment, [“The Heights”](#)
- Apply what you learn directly in the field through supervised [fieldwork](#) experience
- Choose one of three MSW pathways:
 - Pursue a **general-track MSW**
 - Earn an additional **Gerontology and Palliative Care Embedded Certification**
 - Earn an added **Credentialed Alcohol and Substance Abuse Counselor (CASAC) Credential**

Advanced Standing Requirements

For students applying for [Advanced Standing](#) in the general-track MSW, the following additional requirements must be met:

- A Bachelor of Social Work (BSW), with a minimum GPA of 3.0 (on a 4.0 scale), from a CSWE-accredited program
- Final fieldwork evaluation from your completed BSW program

Admissions Requirements

- [Completed application](#)
- An undergraduate GPA of at least 3.0 (on a 4.0 scale)
- One personal statement:
 - Topic: Why do you want to work in the Social Work profession?
 - A second, optional personal statement may be included to provide additional relevant admissions information, such as gaps in academic or employment history, GPA, etc.
- One letter of recommendation
- Official transcript(s) from all previous colleges attended
- \$50 nonrefundable application fee submitted by credit card
- International students: All transcripts and letters of recommendation must be translated by an accredited service provider
- For non-native English speakers, evidence of English proficiency through a minimum TOEFL score of 90–91 on the internet-based test, 223 on the computer-based test or 577 on the paper test
- Applicants who have been awarded a bachelor's and or graduate degree from an international higher education institution outside of the United States or a non-English speaking Canadian institution will need to submit a [NACES transcript evaluation](#) confirming the degree is equivalent to US standards. An applicant's international credentials will not be reviewed for admission consideration until a transcript evaluation is completed. All transcripts will need to be submitted from each institution unless you accumulated less than 12 credits. If admitted, all official transcripts and official transcript evaluation are due before the first day of class.

Curriculum and Course Structure

To earn the online Master of Social Work (MSW):

- Students must complete a total of 60 credit hours of coursework. Full-time online MSW students can complete their degree in as few as 2 ½ years
- Advanced Standing students must complete 36 credit hours of concentration courses and can complete their degree in as few as 1 ½ years
- Students who wish to pursue the online MSW on a part-time basis may take one course per term (roughly 15-20 hours of coursework per week). At this rate, they can complete their degree in as few as five years
- Students may switch between full- and part-time course loads throughout their time in the program, as their schedule allows
- Students earning an optional focus are required to take three related electives and complete their second-year fieldwork at a site working in their specialization

Fieldwork and Elective Courses

Full MSW and Advanced Standing students will participate in [fieldwork](#) throughout their program tenure. These directly supervised experiences allow students to begin integrating classroom knowledge into client exchanges at hospitals, welfare agencies, mental health facilities, schools and more.

Following completion of the [core courses](#), general-track students will move on to take three [elective courses](#) of their choosing. Elective topics in the past have included poverty, LGBT communities, immigration and family systems, but offerings may change. Students in the Gerontology/Palliative Care or CASAC tracks will be required to take the electives assigned for their specialization. Be sure to speak with an Admissions Advisor for up-to-date course listings.
